

Dear Prospective Member,

Thank you for your interest in the South Burlington Business Association. We are South Burlington's only organization focused solely on improving business in South Burlington. Since 2014, the SBBA has been providing member businesses with a collective voice to encourage economic development, advocate for pro-business policies, and foster a supportive business community. We focus on issues that strengthen businesses in our city including development activities such as the City Center, our schools, public safety, parking, signage, taxes, zoning, and city maintenance.

Our members conduct business in South Burlington, ranging from sole proprietors to our largest employers. To date, we are proud to have approximately 100 members.

### **Why join SBBA?**

We provide our members with opportunities to build a business community and directly shape important issues that affect their businesses:

- **Empowerment:** Members directly influence the SBBA's advocacy positions and agenda and are invited participate on SBBA's committees to affect change.
- **Networking:** Regular networking events to build relationships with other SBBA members, business leaders and public officials.
- **Education:** Informing our members on relevant business topics through speaker seminars, information bulletins and newsletters.
- **Advocacy:** Promoting a pro-business policy agenda in South Burlington.

We invite you to join us and share in our mission to strengthen business in South Burlington. Enclosed is a membership registration. We hope that you consider becoming a "Platinum Member." This leadership-level investment boasts additional benefits, including increased marketing exposure.

Each new member makes an immediate impact – together, we are building a diverse business community and a collective voice to advance a pro-business agenda. If you have any questions, or would like an invitation to our next meeting, please contact us at [sbbabiz@gmail.com](mailto:sbbabiz@gmail.com).

Sincerely,

Tracy Davis, Chair
